# Nature Explorers Camp

Fun theme weeks, outdoor activities and guest speakers at Little Cataraqui Creek Conservation Area. Plus swimming and adventures at Gould Lake Conservation Area for two days a week!

## About the Camp

Qualified and experienced instructors with a ratio of 1:8 will teach campers in groups ranging in ages from 6 to 11 years old with a maximum of 24 campers. Each day will be filled with adventures, games and fun. Campers will come away with a greater awareness about and connection to the natural world.

Choose from a **maximum of two** of our theme weeks. Nature Explorers Camp runs weekly from July 5 to August 20, 2010. There will be a family campfire the last week of camp for all the 2010 campers and their families.

- ✂ July 5 - 9 **Wildlife CSI** - prepare yourself for a week of scat, bones and mysteries
- ✂ July 12 - 16 **Rockin' Reptiles** - explore the scaly, slithery creatures from the reptile kingdom
- ✂ July 19 - 23 **Wilderness Warriors** - unearth the secrets of the predators in our world
- ✂ July 26 - 30 **Awesome Aquatics** - splash into summer adventures in water habitats
- ✂ August 3 - 6 **Eco Heroes** (short week) - be inspired to help protect nature
- ✂ August 9 - 13 **Magnificent Mammals** - discover your distant relatives and furry friends
- ✂ August 16 - 20 **Animal Armour** - learn about how animals and plants defend themselves

## Lunch

Each camper is responsible for bringing a **nut free and litterless lunch** every day. Our camp is a peanut and nut free environment due to life-threatening allergies of campers and staff. All recycling and garbage goes home with your child.

## About Our 2010 Staff

Our staff have extensive experience working with children and knowledge about nature and conservation. A certified lifeguard supervises the swimming at Gould Lake Conservation Area.

All of our staff enjoy working with children and passing on their love of nature and the outdoors.
